

## **Conclusion of an Agreement with Bank of Ayudhya and JETRO Bangkok**

Tokyo, August 30, 2016 — The Bank of Tokyo-Mitsubishi UFJ, Ltd. (President: Takashi Oyamada) and its consolidated subsidiary Bank of Ayudhya Public Company Limited (Krungsri), a member of Mitsubishi UFJ Financial Group, Inc. (MUFG), concluded an Agreement Regarding Coordination and Cooperation (this Agreement) with JETRO Bangkok.

### **1. Purpose and background of concluding this Agreement**

The Bank of Tokyo-Mitsubishi UFJ has positioned Asia as its second core market, and in December 2013, acquired Krungsri, a major commercial bank in the Kingdom of Thailand (Thailand), in an aim to create a platform to provide high added-value financial services in both countries.

In collaboration with JETRO Bangkok, based on this Agreement, we seek to promote investment and trading between enterprises in Japan and Thailand, and contribute to the development of the economy as well as industry in both countries.

### **2. Overview of this Agreement**

- (1) Introduction of Thai enterprises interested in investment in Japan;
- (2) Correspondence to each potential investment project in Japan by Thai enterprises through provision and exchange of information in order to achieve the investment;
- (3) Attraction of Thai enterprises to seminars and business matching fairs etc. hosted by JETRO Bangkok in Thailand;
- (4) Business matching in Thailand between Japanese enterprises and Thai enterprises; and
- (5) Introduction of locations to conduct test marketing in Thailand.

### **3. Overview of Krungsri**

Krungsri has over 70 years of history in Thailand and is the 5th largest commercial bank in the country in terms of assets. It provides wide-ranging and comprehensive financial services including corporate banking, retail banking including consumer finance, as well as investment and asset management to individuals, SMEs and large corporations through its network of over 670 branches and 26,000 sales agencies nationwide. Krungsri together with its subsidiaries makes up the largest credit card issuer in Thailand, with 6.6 million accounts, and is one of the main players in the auto loan industry. It also owns such companies as Krungsri Asset Management, which has achieved rapid growth in recent years, and Ngern Tid Lor, a microfinance company.

### **4. Overview of JETRO Bangkok**

JETRO Bangkok is a Thai representative office of JETRO, an independent government agency established for the purpose of expanding Japanese trade and promoting economic cooperation with Japan. It is engaged in various activities such as provision of information on the economic and political conditions in Thailand and more, actions to promote trade between Japan and Thailand and support for enterprises expanding into Thailand from Japan as well as those expanding from Thailand to Japan.
