MUFG Bank (China) Establishes Green Credit Fund

Tokyo, July 31 2020 --- MUFG Bank, Ltd. (“MUFG Bank”) announced that its wholly owned subsidiary MUFG Bank (China), Ltd. (“MUFG Bank (China)”) has established a RMB 5 billion "Green Credit Fund" to help finance clients' environmental conservation in China.

In 2012, the China Banking and Insurance Regulatory Commission* (“CBIRC”) issued a set of "Green Credit Guidelines" which includes green credit targets in China and the prohibition of credit to environmental pollution companies. In recent years, the People's Bank of China (“PBOC”) has also released guidelines promoting green credit in China. Regulators' interests to green credit are growing.

MUFG Bank (China) established the fund in light of the guidelines of CBIRC and PBOC, the MUFG Environmental Policy and the MUFG Environmental and Social Policy Framework. We will accelerate supports for our customers' environmental conservation efforts by applying preferential interest rates to qualified companies and projects.

MUFG Bank will continue to work proactively to resolve environmental and social issues, and aim to contribute to the realization of a sustainable society.
