Dear Customers,

Re: Handling Fee for COMSUITE Physical OTP Tokens

We will charge a handling fee of PHP 500.00 or equivalent - EUR 10.00, JPY 1,000 or USD 10.00 (“**Handling Fee**”) for each new and renewed COMSUITE Physical OTP Token issued to your company on or after 1 April 2023 (“**Effective Date**”).

We will automatically debit the Handling Fee from any of your accounts as determined by the Bank. Existing valid Physical OTP Tokens in your company’s possession before the Effective Date will continue to work and will not be charged a Handling Fee.

We encourage you to migrate to the all-new Mobile OTP Tokens for more convenient access to COMSUITE Single Sign-On Products (GCMS Plus, Payables Finance).

For any clarification, please get in touch with your Relationship Manager.

Sincerely,

(no signature required)
