

COMSUITE Portal Login Guide

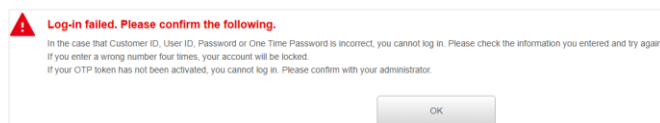

Log in to COMSUIITE

1. Open COMSUIITE portal:
 - Go to: <https://ebusiness.bk.mufg.jp/login/>
2. Enter your 8-digit "Customer ID"
3. Enter your assigned "User ID"
4. Enter your secure "Password"
5. Generate and Enter the One Time Password (OTP)
 - On your physical token device or mobile token app, press the "1" (LOGIN) button to generate a 6-digit One Time Password (OTP).
 - Enter the generated 6-digit OTP into the "One Time Password" field on the login page.
6. Click "Login" button
7. Upon successful authentication, you will be directed to the COMSUIITE portal dashboard, where you can access all available services and features.

Note:

- If you encounter the following error message, click "OK" and refer to next page:

1. Attempt to log in again, ensuring that you enter your correct credentials. If the same error message appears, click "OK"
2. If you are still unable to log in after multiple failed attempts and are prompted by Time Correction screen, please follow these steps:
 - Press "1" (SIGN) on your token device or app and enter the 6-digit One Time Password into "OTP1" field
 - Press "1" (SIGN) again on your token device or app and enter the new 6-digit One Time Password into "OTP2" field
3. Click "OK". You will be redirected back to the login screen. Attempt to log in again

Note:

- If you are still unable to log in, contact your company administrators to apply a "Password Reset" on your behalf to help you regain access. Refer to [Guide C2](#) for Password Reset instructions

**Login unsuccessful since any of Customer ID, User ID, Password, or OTP is incorrect.**
Please check the information you entered and try again.

Time correction

After entering the two OTP, click OK button.
Please login again when the login screen is displayed.
