

## **MUFG announces 5 finalists for its startup accelerator in Tokyo**

**Japan, September 15, 2022** --- MUFG Bank, Ltd., a core commercial banking subsidiary of Mitsubishi UFJ Financial Group, Inc. ("MUFG") announced today 5 finalists for 6th cohort of its startup accelerator program in Tokyo, i.e., "MUFG Digital Accelerator".

The 2022 program officially launched today, and the finalists will participate in the 4-month curriculum, during which they will work closely with MUFG's stakeholders, industrial advisors and mentors to drive their business forward, as well as to seek collaborations with MUFG. MUFG is excited to explore the solutions developed by these talented startups and to elevate its services to the next level.

Participants will benefit from "mentoring sessions" in which they conduct interactive one-on-one meetings with experts. They will also have the opportunity to pitch their business strategy to investors and industry experts on Demo Day, i.e., January 26, 2023.

The 5 finalists for MUFG Digital Accelerator 2022 are (alphabetical order):

1. **Cinnamon Inc.** – Cinnamon Inc. provides AI consulting service and AI products with the purpose of "a world full of creation with AI where everyone can dream a new future," driving growth and development of new business structures for Japanese large corporations.
2. **Levetty, Inc.** – Levetty, Inc. provides Cloudbase, a security service that visualizes all cloud assets, reduces risk, and ensures safe cloud operations.
3. **MEME CO.,LTD** – MEME CO.,LTD provides a smartphone application, 'manimo', which is teaching financial literacy for kids. Kids can use a debit card, and manage their money with their parents. Also, they can learn how to earn, save, and spend money through this application.
4. **Stayway corp.** – Stayway corp. provides Subsidy Cloud, a subsidy support efficiency cloud service for financial institutions and business companies in Japan. It will be possible to streamline subsidy information collection, streamline subsidy application support, and launch digital services for small and medium-sized enterprises.
5. **viz PRiZMA Co., Ltd.** – viz PRiZMA is a praying field on Metaverse providing hope to all lives. They believe digital art generated from your iris supports you live better, and together with your precious memories, all data will deliver to the distant future protected with blockchain.
