

Notice about fake social media accounts impersonating an MUFG executive

September 22, 2022

We have identified suspicious investment solicitation activities by fake social media accounts pretending to be an MUFG executive.

Please beware of those fake accounts as they are likely to be scams attempting to get money from MUFG customers.

MUFG and its executives do not send investment solicitation messages using social media.

Should you receive suspicious messages, please delete them immediately.

Also, please block and unfollow the accounts promptly not to receive such messages again.
