## **MUFG Wins forms an alliance with Peachtree Corners and Curiosity Lab**

*The alliance strengthens international innovation pipeline through smart city collaboration and real-world technology deployment*

**Tokyo, July 10, 2025** --- Mitsubishi UFJ Financial Group (MUFG) has signed a Memorandum of Understanding with Curiosity Lab. The alliance will focus on exploring and advancing smart city systems through research, development, demonstration and deployment of next generation use cases from all over the world.

The agreement formalizes a relationship between Peachtree Corners, Curiosity Lab and MUFG, and establishes a collaborative framework to support innovative solutions in transportation and smart city technology while fueling economic development in Peachtree Corners.

MUFG is the first Japanese partner for Curiosity Lab and believe the collaboration will further enhance their presence in the Southeastern U.S. while promoting the business development of Japanese companies.

MUFG's global reach and regional office in Atlanta will help connect clients with real-world testing and smart infrastructure access, enhancing Curiosity Lab's role as a launch pad for U.S. and international innovation.

"MUFG and Curiosity Lab share a dedication to innovation and infrastructure" said Yutaka Fujishiro, Head of Japanese Corporate Banking. "We're proud to expand our collaboration to advance connected urban development."
