## **MUFG completes reorganization of overseas securities entities**

**Tokyo, October 1, 2025** --- As previously announced on December 27, 2024, “Regarding reorganization of overseas securities entities within MUFG,”<sup>1</sup> and “Update on reorganization of overseas securities entities within MUFG” on June 26, 2025<sup>2</sup>, MUFG Bank and MUSHD have completed the regulatory procedures and obtained approvals from regulators in Japan and abroad to execute the group reorganization of overseas securities entities. On October 1, 2025, MUFG Bank acquired 100% of the shares of the relevant overseas securities subsidiaries from MUSHD.

Through this reorganization, we aim to strengthen the integrated operational framework of the Bank and Securities in our international wholesale business and to achieve the "evolution of an integrated GCIB<sup>3</sup>/Global Markets<sup>4</sup> business model," allowing for enhanced competitiveness and a strengthened value chain.

Furthermore, while the capital relationship and management framework of the overseas securities subsidiaries will be integrated under the Bank, we will continue to leverage the expertise within the international securities business accumulated by MUSHD to manage the international securities operations. By maintaining operational synergies between the domestic and the international securities businesses, we will establish a management and business promotion framework that integrates the frameworks of the Bank and Securities.
