Table 1. Cabinet professionals who participated in The EIA

Professional Cabinet		
Name	Profession	Function/Task
		environment and use of the Territory
Iván Fuentes	Hydraulic	Hydrology Baseline Elaboration
Celeste Silva	Biologist	Elaboration of land Fauna baseline
María José FaÚNdez	Geographer	Elaboration of landscape and physical medium baseline
Alberto Duarte	Archaeologist	Elaboration of the basic Cultural heritage line
Claudia Mascayano	Engineer Eniero Agronomist	Elaboration PAS 160
Camila Morini	Engineer Eniero Forest	Elaboration PAS 160
Andrea Llanos Cabrera	Engineer Eniero En NR Renewables	Elaboration Project Description
Valeska Reyes	Environmental engineer	Elaboration Project Description
Evelyn Orellana	Environmental chemistry	Reporting atmospheric emissions
Isidora Thomas	Architect	Elaboration of communal development, Regional and PAS 160
Matías ToStranded Ramirez	Engineer Eniero Forest	Development Ldb Flora and terrestrial vegetation
Manuel Miranda	Engineer Eniero Forest	Development Ldb Flora and terrestrial vegetation
Francisco Nómez	Sociologist	Development Ldb Human environment
Ana María Cifuentes	Engineer Eniero Environmental	Elaboration Project Description
Fabiola Fuentealba	Geographer	Cartography elaboration
Max Barra	Cartoonist	Mapping development
Christian Gerard Buchi	Acoustic engineer	Project manager, Acoustic impact
Claudio Salas Castro	Acoustic engineer	Acoustic Impact Coordinator
Nicolás Kovacic	Acoustic engineer	Head of Department baseline

Table 2. Field professionals who participated in The EIA

Field Professionals		
Name	Profession	Function/Task
Matías Alvarado	Engineer Eniero Forest	Gathering information Ldb Flora and terrestrial vegetation
Manuel Miranda	Engineer Eniero Forest	Rising Information Ldb Flora and vegetation Terrestrial

Table 2. Field professionals who participated in The EIA

Field Professionals			
Name	Profession	Function/Task	
Alvaro Delgado	Anthropologist	Gathering information	Ldb Cultural Heritage
Rodrigo Iglesias	Archaeologist	Gathering information	Ldb Cultural Heritage
Francisco Fernández	Archaeologist	Gathering information	Ldb Cultural Heritage
Claudia Mascayano	Engineer Eniero Agronomist	Elaboration PAS 160	
Camila Morini	Engineer Eniero Forest	Elaboration PAS 160	
Daniel Salinas	Engineer Eniero Agronomist	Gathering information	Ldb Terrestrial Fauna
Celeste Silva	Biologist	Gathering information	Ldb Terrestrial Fauna
María José Faúndez	Geographer	Gathering information	Ldb Landscape and physical environment
Francisco Nómez	Sociologist	Rising human information	
Felipe Fuentes	Archaeologist	Raising Information	Cultural Heritage
Nicolas Kovacic	Acoustic engineer	Rising noise Base Line
