Dear Valued Customers,

MUFG Bank (Malaysia) Berhad

MUFG Bank (Malaysia) Berhad's Precautionary Measure and Prevention Guide

In light of the Covid-19 pandemic, we are taking the following precautionary measures to safeguard your safety and health during your visit at our premise.

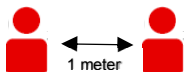

We have taken a series of actions to ensure our banking hall is sanitized multiple times daily including reduced touch point for your comfort and enhance banking experience.

Upon entering the office premise, body temperature will be taken and sanitizer is available for basic hygiene. Temperature above 37.5C may not be allowed entry by building management and will be advised to seek medical attention.

Masks should be worn at all times by yourselves including our colleagues to ensure your safety and the safety of others.

We are limiting the number of customers inside the banking hall at a time to ensure 1 meter spacing between customers can be observed during operating hours from 9:30am to 3pm.

We strongly suggest prior appointment to be made with our officers before any visit to avoid inconvenience. Should you have any queries, please contact your Relationship Manager to assist with your banking needs and business transaction.

We thank you for your continuous support, understanding and cooperation during the Covid-19 containment stage. Any inconvenience caused is sincerely regretted.

Stay safe and take care.
